RE: Review and Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, "Stage 1, 2, & 3 Archaeological Assessment PROPOSED AGGREGATE PIT PART OF LOTS 23, 24 & 25 CONCESSION 1, HORTON TWP (GEO), COUNTY OF RENFREW, ONTARIO ", Dated Sep 27, 2022, Filed with MHSTCI Toronto Office on Sep 29, 2022, MHSTCI Project Information Form Number P371-0038-2021, P371-0042-2021, P371-0040-2021, MHSTCI File Number 0009756

Dear Mrs. Cameron:

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the *Ontario Heritage Act*, R.S.O. 1990, c 0.18.¹ This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 2011 *Standards and Guidelines for Consultant Archaeologists* set by the ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.

The report documents the assessment of the study area as depicted in Figures 23/24 and 25 of the above titled report and recommends the following:

- No further CHVI is retained at BjGe-4, or BjGe-8. No further archaeological assessment is recommended.

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment are consistent with the ministry's 2011 *Standards and Guidelines for Consultant Archaeologists* and the terms and conditions for archaeological licences. This report has been entered into the Ontario Public Register of Archaeological Reports. Please note that the ministry makes no representation or warranty as to the completeness, accuracy or quality of reports in the register.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Paige Campbell
Archaeology Review Officer
